About Me

As a passionate and driven Cloud Computing student, I am eager to apply my knowledge of cloud infrastructure, virtualization, and cloud security in real-world scenarios. I am continuously learning about emerging technologies and best practices to stay up-to-date in the fast-evolving field of cloud computing.

Experience

Infotech Connect - Sri Lanka Telecom

call center Agent

2020 - 2021

As a Call Center Agent at Sri Lanka Telecom, I handle customer inquiries, troubleshoot issues, and provide solutions for telecom services. I ensure high satisfaction by resolving problems efficiently and managing service requests.
